BIG BOAT SAILING

GET TO GRIPS WITH LIFE ON AN OCEAN-GOING YACHT ON THIS SEVEN DAY COURSE. WHETHER YOU'RE A COMPLETE BEGINNER OR AN AMATEUR SMALL BOAT SAILOR, OUR PROFESSIONAL SKIPPERS AND MATES WILL SHOW YOU THE BASICS OF YACHT SAILING.

YOU'LL LEARN ALL OF THE PERSONAL SAFETY, SEAMANSHIP AND HELMSMANSHIP SKILLS NECESSARY TO BECOME A USEFUL MEMBER OF CREW ON BOARD A LARGE RACING YACHT.

During the first few days you will be introduced to basic sailing skills such as safe operation of deck gear and how to perform basic sail manoeuvres. You will then head off on a short offshore passage to hone your sailing skills while also learning about life at sea. You will work in a watch system; eating and sleeping at sea as the boat makes its way down the English Channel and then returns to Gosport several days later.

This is an intensive course that introduces the complete beginner or novice sailor to life at sea. This course is a must for anyone who wants to learn to sail or aspires to race around the world. On successful completion of this course, you will be awarded a RYA Competent Crew certificate.

DURATION: 7 DAYS

NUMBER OF STUDENTS TO INSTRUCTOR: 5:1

PREVIOUS EXPERIENCE REQUIRED: NONE

LOCATION: GOSPORT
